

Mint of the United States.

Philadelphia, Oct. 17 1879

Sir:

Only \$15,000 in 5¢ nickel fit for issue remains in our vaults. The demand continues to be brisk and the volume redeemed is small.

In view of these facts allow me to suggest that the Treasurer U. S. be requested to transfer from the Treasury to our Redemption Fund the sum of \$50,000 in 5¢ nickel.

Very Respectfully
Superintendent.
